## ~Notice to Income Assistance Clients~

During these uncertain times and the rise of inflation Indigenous Services Canada has recognized the stress put on families and have responded with this one time only top up, Inflationary increase. This means that the Social Development Department has received special one time only funding to assist clients with covering their expenses for essential items.

The Social Development has developed a schedule and received leadership approval for disbursement. We will be issuing top ups for November 2022, December 2022, and January 2023. The remaining funding will be used for the purchase of generators and other much needed items.

**Today you are receiving the November 2022 disbursement.** Please be advised that this funding is only for Income Assistance families and individuals on reserve.

The approved rates are:	Singles-	\$250.00
	Families/Persons with Disabilities	\$500.00

Dates to be determined for the December 2022 and January 2023 release.

If you have any questions, please contact our department directly.

**Use this funding for the intended purpose as the price of food and gas, etc. are only increasing.**

Thank you and please stay safe.
