Hadih Tl'azt'enne Elders, band members, and staff;

This notice is to inform you as is the first day to receive nominations for two councillor positions. Nomination period is open September 11, 2023, and will close on Friday September 22, 2023, by 4pm.

Where to get a nomination form, from me or on the website. In saying that, I want to let people I am in the Administration office you can see me in-person or call in your nomination provided I can verify it is you calling. This is especially for those who haven't participated in band election process before and serves as a reminder to those who have before. This has always been the practice and still in place until we pass the election code defining a clear process approved by all band members.

I can be reached at the number above or call my cell; you will need to provide your contact information & status number, nominee contact information and who will be your seconder is and their contact information. The reason being is so I could reach out to your seconder if they haven't already call in or seen me in-person to complete the nomination form.

Once nomination forms are fully completed and then I will update the list and inform members asap. I want to thank you for taking the time to consider your nomination and the process laid out before you.

Sincerely

Cheryl Schweizer
