TL'AZT'EN NATION

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

MARCH 31, 2021

The accompanying consolidated financial statements of Tl'azt'en Nation are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, DMC Chartered Professional Accountants Inc., conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Tl'azt'en Nation and meet when required.

On behalf of Tl'azt'en Nation:

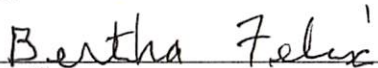

Chief

October 12, 2021

Date

Councillor

October 12, 2021

Date

Independent Auditor's Report

To the Members of
Ti'azt'en Nation

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the consolidated financial statements of Ti'azt'en Nation, which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of revenue, expenditures and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

Except as noted in the following paragraph, in our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Nation as at March 31, 2021 and the results of its operations for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

We were unable to obtain sufficient audit evidence for the budgets for the current year as they were not approved by Chief and Council. Canadian Public Sector Accounting Standards requires the approved budget to be presented in the consolidated statements of operations and accumulated surplus, and change in net financial assets.

We were unable to obtain sufficient audit evidence for the Nation's investments, specifically Tanizul Timber Ltd. As a result, no determination could be made whether adjustments were required in respect of investments, advances, other income (charges), excess revenues (expenditures) for the year and ending surplus.

We were unable to obtain sufficient audit evidence for the amounts receivable and/or payable to Binche Whut'en that is the result of the separation of the Nation as of April 1, 2019.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other Matter

The consolidated financial statements of the Tl'azt'en Nation for the year ended March 31, 2020 were audited by another auditor who expressed a qualified opinion on those consolidated financial statements on March 8, 2021.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ♦ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♦ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ♦ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♦ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- ♦ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

OPERATIONS

The Tl'azt'en Nation (the "Nation") is located in the province of British Columbia and provides various services to its members. Tl'azt'en Nation includes the Nation's members, government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

(a) Fund accounting

The Tl'azt'en Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the financial statements. The Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation administration.
- The Ottawa Trust Fund which reports on the trust funds of the First Nation and held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Section 63 of the Indian Act.
- The Social Housing Fund which reports on the social housing assets of the Nation, together with their related activities.
- The Enterprise Fund which reports the First Nation's investment in and advances to corporate enterprise activities.

(b) Reporting entity

The financial statements consolidate the financial activities of all entities and departments comprising the Nation reporting entity, except for Nation business entities. Trusts administered on behalf of third parties by Tl'azt'en Nation are excluded from the Nation reporting entity.

The Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- CMHC Social Housing Program

All inter-entity balances have been eliminated on consolidation.

Tl'azt'en Nation business entities, owned or controlled by the Nation's Council but not dependent on the Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Nation. Thus, the Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received.

Entities accounted for by the modified equity basis include:

- Tanizul Timber Ltd.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or to finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

(d) Cash and cash equivalents

Cash and cash equivalents include balances with banks and portfolio investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

(e) Funds held in Ottawa Trust Fund

Funds held in trust on behalf of Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust monies consist of:

- Capital trust monies derived from non-renewable resource transactions on the sale of land or other Nation tangible capital assets; and
- Revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

(f) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Contributed tangible capital assets are recorded at their fair value at the date of contribution.

Social housing assets acquired under Canada Mortgage and Housing Corporation ("CMHC") sponsored programs are amortized over their estimated useful lives at a rate equivalent to the annual principal reduction in the related long-term-debt. Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

Building, water and sewage and electrification	20-25 years
Housing	25-40 years
Road	20 years
Equipment	10 years
Vehicles	5 years
Computer equipment and software	3 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to TL'azt'en Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using quoted market prices. Any impairment is included in the surplus for the year.

(h) Net debt or net financial assets

The Nation's financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of the Nation is determined by its financial assets less its liabilities. Net financial assets combined with non-financial assets comprise a second indicator of financial position, accumulated surplus.

(i) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers

The Nation recognizes a government transfer as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled. Transfer of non-depreciable assets are recognized in revenue when received or receivable.

Canada Mortgage and Housing Corporation ("CMHC")

CMHC revenue is recognized as it becomes receivable under the terms of the applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

Funds held in Ottawa Trust Fund

The Nation recognizes revenue of the Capital and Revenue Trust Fund at the time funds are contributed from accounts held in Ottawa. Interest revenue is recognized when earned.

Housing Rental Income

Housing rental income is recorded in the year it is earned. At the end of each year, management evaluates whether rent revenue is collectable and records a bad debt expense and allowance for doubtful accounts for those amounts designated as unlikely to be collected..

Other revenue

Other revenue is recognized when performance is completed, amounts are measurable and collection is reasonably assured.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Liability for contaminated site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Nation is either directly responsible or accept responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2021.

At each financial reporting date, the Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period and revisions are made. The Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made. As at March 31, 2021 there is no liability for contaminated sites.

(k) Measurement uncertainty

In preparing the consolidated financial statements for the Tl'azt'en Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period.

Accounts receivable are stated after an evaluation as to their collectible and an appropriate allowance for doubtful accounts is provided when considered necessary. Amortization is based on the estimated useful lives of tangible capital assets.

By their nature, these judgments are subject to measurement uncertainty, and the effect on the consolidated financial statements of changes in such estimates and assumptions in future years could be significant. These assumptions and estimates are reviewed periodically and, as adjustments become necessary they are reported in earnings in the years in which they become known.

(l) Financial Instruments

The Nation initially measures its financial assets and financial liabilities at fair value. The Nation subsequently measures all of its financial assets and financial liabilities at amortized cost. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and cash equivalents, accounts receivable, long term investments and federal trust funds.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, deferred revenue, replacement reserves and long-term debt.

Fair value is determined by the price that is quoted in an active market. When a quoted price in an active market is not available it is measured at cost.

The Nation does not currently have any financial instruments measured at fair value.

TL'AZT'EN NATION**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****MARCH 31, 2021**

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)**(m) Segments**

The First Nation conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives, aid in resource allocation decisions, and to assess operational performance. For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

2. RESTRICTED CASH

Under the terms of the agreement with CMHC, excess revenues over expenditures for the Post 1996 phases may be retained in an operating reserve. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time.

Restricted cash is comprised of the following:

	2021	2020
CMHC Pre-1997 replacement reserve	\$ -	\$ 215,693
CMHC Post-1996 replacement reserve	232,503	250,359
CMHC operating reserve	435,693	427,126
	<u>\$ 668,196</u>	<u>\$ 893,178</u>

3. PORTFOLIO INVESTMENTS

	2021	2020
Term deposits held with Integris Credit Union, at cost, with interest rates ranging from 1.60% to 2.10% per annum, maturing between August 2024 to April 2025	\$ 6,991,939	\$ 2,315,822
Portfolio investments held with Gwaii Trust Society, at cost	355,096	341,680
	<u>\$ 7,347,035</u>	<u>\$ 2,657,502</u>

Included in term deposits held with Integris Credit Union is \$284,692 in funds from the BCFN Gaming Revenue Sharing LP.

7. FUNDS HELD IN TRUST

Capital and revenue trust monies are transferred to the Nation on the authorization of the Minister of Indigenous Services Canada, with the consent of the Nation's Council.

	March 31, 2020	Additions, 2021	March 31, 2021
Revenue	\$ 2,197,524	\$ 52,580	\$ 2,250,104
Capital	154,535	393,919	548,454
	\$ 2,352,059	\$ 446,499	\$ 2,798,558

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the *Indian Act*.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

13. CONTINGENT LIABILITIES

The Nation has a contingent liability related to Indigenous Services Canada's ministerial loan guarantees on mortgage for certain Nation members. The outstanding balance of these mortgages at March 31, 2021 is \$963,663 (2020- \$1,213,895).

Surpluses related to some projects funded by Indigenous Services Canada and First Nations Health Authority are subject to possible recovery by those agencies. No provision has been made in these statements for potential recovery for the 2021 year end.

The financial results of the CMHC Social Housing program are subject to review by CMHC. It is possible that adjustments could be made based on the results of their review.

The Nation is subject to legal proceedings, claims and litigations arising in the normal course of business. While the outcome of these matters is currently undeterminable, management does not expect that the ultimate costs to resolve these matters will have a material adverse effect on the Nation's financial statements.

The Nation has three authorized overdraft borrowing agreements in the amounts of \$200,000, \$175,000 and \$200,000, bearing interest respectively at Integris prime lending rate plus 0.50% per annum (March 31, 2021 - 3.55%), Integris prime lending rate (March 31, 2021 - 2.95%) and Royal Bank prime lending rate plus 1.85% per annum (March 31, 2021 - 4.30%), each secured by a registered general security agreement. As at March 31, 2021, these credit facilities were not being utilized.

TL'AZT'EN NATION**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****MARCH 31, 2021**

14. REPLACEMENT RESERVE

Under the terms of the agreement with Canada Mortgage and Housing Corporation ("CMHC") the Pre-1997 replacement reserve account is to be credited in the amount of \$2,492 annually (2020 - \$9,967). The post-1996 replacement reserve account is to be credited in the amount of \$8,000 annually (2020 - \$12,000).

These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC.

On July 1, 2020, the remaining units under the Pre-1997 program matured, resulting in an adjustment to the replacement reserve bringing the balance to nil.

At year end, the Post -1996 replacement reserve account was underfunded by \$68,467 (2020 - \$42,610).

At year end the replacement reserves consist of the following:

	Pre-1997	Post-1996	2021	2020
Balance, beginning of year	121,389	292,969	414,358	402,655
Annual allocation	2,492	8,000	10,492	21,967
Interest income	8,569	4,895	13,464	9,620
Expenditures	(3,864)	(13,935)	(17,799)	(19,884)
Adjustment due to matured units	(123,881)	-	(123,881)	-
Balance, end of year	4,705	291,929	296,634	414,358

Under the terms of the agreement with CMHC, excess federal assistance payments received may be retained in an Operating Reserve. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. For the Post 1996 phases the funds may be used to offset future deficits. Withdrawals are credited first to interest and then principal. At year end, the operating reserve consists of the following:

	2021	2020
Balance, beginning of year	409,100	399,326
Operating surplus	7,012	9,774
Balance, end of year	416,112	409,100

Under the terms of the agreement with CMHC, purchases over \$5,000 require competitive prices from three sources through quotations, tenders or proposals. There were three expenditures over the \$5,000 threshold in which no quotations or proposals were not received.

TL'AZT'EN NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2021

18. SEPARATION FROM BINCHE WHUT'EN

On April 1, 2019, the Nation complete a restructuring transaction with Binche Whut'en. The restructuring transaction was completed to facilitate the separation of Tl'az'ten and Binche into two separate Nations under the Indian Act in order to undo the historical error of the amalgamation of and to give legal recognition to the distinctiveness of the two Nations.

For the year end March 31, 2021, the separation agreement between Tl'azt'en and Binche Whut'en had been finalized. At this time, items within agreement are currently subject to interpretation and may have an impact on financial commitments.

19. ECONOMIC DEPENDENCE

Tl'azt'en Nation receives a significant portion of its revenue from Indigenous Services Canada as a result of treaties entered into with the Government of Canada. These treaties are administered by Indigenous Services Canada under the terms and conditions of the *Indian Act*. The ability of the nation to continue operation is dependent upon the Government of Canada's continued financial commitments as guaranteed by these treaties.

20. BUDGET INFORMATION

Budgets were not prepared for all segments and all departments for the fiscal year ending March 31, 2021. As such, no budgeted figures are presented in the Statement of Operations. While having no effect on reported revenue, expenses and surplus, omission of this information is considered a departure from Canadian public sector accounting standards.

21. COMPARATIVE AMOUNTS

Certain comparative amounts have been reclassified to conform with the presentation adopted in the current period. The March 31, 2020 comparative amounts were reported on by another firm of Chartered Professional Accountants.

22. COVID-19

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Nation's environment and in the global markets due to the possible disruption of supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, impositions of quarantines and social distancing) could have a material impact on the Nation's operations.

The extent of the impact of this outbreak and related containment measures on the Nation's operations cannot be reliably estimated at this time.

24. SEGMENTED INFORMATION

As previously discussed in note 2 (l) the First Nation conducts its business through reportable segments. These segments are differentiated by factors such as major activities, service lines, accountability and control relationships. For management and reporting purposes, the revenues, expenses, surpluses or deficits are organized by the following segments:

Administration - this segment discloses general activities of the Nation's administration.

Capital Projects- this segment discloses income and expenditures related to acquiring new capital projects and is funded by Indigenous Services Canada.

Economic Development- this segment discloses program activities primarily funded by Indigenous Services Canada for community economic development projects.

Education- this segment discloses program activities primarily funded by Indigenous Services Canada and Prince George Native Education and Training Association. These programs relate to elementary, secondary and post-secondary education and training services.

Health Services- this segment discloses program activities funded by First Nations Health Authority that relate to the provision of health related services to the Nation's members.

Housing Operations- this segment reflects income and expenditures associated with the operation and maintenance of Nation owned housing occupied by members.

Infrastructure- this segment reflects maintenance costs of various Nation owned buildings and infrastructure.

Natural Resources- this segment discloses income and expenditures associated with developing and maintaining the natural resources of the Nation's traditional territory.

Social Development- this segment includes programs and services related to the social benefit and welfare of Nation members, which are funded by Indigenous Services Canada.

Social Housing- this segment includes the revenues and expenses relating to the social housing of the members of the Nation.

SPECIAL AUDITORS' REPORT

To the Members of Tl'azt'en Nation:

We have audited the financial statements of Tl'azt'en Nation as at March 31, 2021, and for the year then ended and reported on October 12, 2021.

The Schedule of Honoraria, Travel Expenses and Other Remuneration for Elected officials is required to be presented to the Members of Tl'azt'en Nation pursuant to the funding agreement between Indigenous Services Canada (ISC) and Tl'azt'en Nation. The Schedule has been compiled by the management of Tl'azt'en Nation from their records. For the purposes of understanding our involvement with this schedule, please note that:

- We have audited and separately reported on the consolidated financial statements;
- Our audit was conducted for the purposes of forming an opinion of the financial statements taken as a whole;
- The attached schedule is presented to comply with the requirements of the Department of Indigenous and Northern Affairs Canada and does not form part of the financial statements; and
- The schedule has been subjected to the auditing procedures applied to the audit of the financial statements taken as a whole.

During the course of the aforementioned audit, we encountered no discrepancies on this schedule. However, no procedures have been carried out on this schedule in addition to that necessary to form an opinion on the financial statements.

ANNEX B

Schedule of Remuneration and Expenses (Chiefs and Councillors)

**Name of Recipient Tl'azt'en Nation
For the Year Ended March 31, 2021**

Name of Individual	Position Title	Number of Months [Note 1]	Remuneration [Note 2]	Expenses [Note 3]
Chief Beverly John	Chief	12	83,075	2,829
Bertha Felix	Councillor	12	24,000	5,231
Simon John	Councillor	9	20,038	8,329
Allen Roberts	Councillor	12	24,000	13,836
Amelia Stark	Councillor	4	9,024	0
Anita Joseph	Councillor	12	27,038	12,880
Leslie Aslin	Councillor	12	40,651	572
Darren Tom	Councillor	12	24,038	2,859
Fabian Tom	Councillor	8	15,000	2,725
Vincent John	Councillor	2	4,000	1,214

1. The number of months during the fiscal year that the individual was a chief or councillor.

2. As per the First Nations Financial Transparency Act:

"remuneration" means any salaries, wages, commissions, bonuses, fees, honoraria and dividends and any other monetary benefits — other than the reimbursement of expenses — and non-monetary benefits.

Examples are provided in the supporting document which accompanies this document on AANDC's Internet site entitled: "Supplementary Information".

3. As per the First Nations Financial Transparency Act:

"expenses" includes the costs of transportation, accommodation, meals, hospitality and incidental expenses.

SPECIAL AUDITORS' REPORT

To the Members of Tl'azt'en Nation:

We have audited the financial statements of Tl'azt'en Nation as at March 31, 2021, and for the year then ended and reported on October 12, 2021.

The Schedule of Honoraria, Travel Expenses and Other Remuneration for Un-elected officials is required to be presented to the Members of Tl'azt'en Nation pursuant to the funding agreement between Indigenous Services Canada (ISC) and Tl'azt'en Nation. The Schedule has been compiled by the management of Tl'azt'en Nation from their records. For the purposes of understanding our involvement with this schedule, please note that:

- We have audited and separately reported on the consolidated financial statements;
- Our audit was conducted for the purposes of forming an opinion of the financial statements taken as a whole;
- The attached schedule is presented to comply with the requirements of the Department of Indigenous and Northern Affairs Canada and does not form part of the financial statements; and
- The schedule has been subjected to the auditing procedures applied to the audit of the financial statements taken as a whole.

During the course of the aforementioned audit, we encountered no discrepancies on this schedule. However, no procedures have been carried out on this schedule in addition to that necessary to form an opinion on the financial statements.
