## **Notice to Housing Applicants**

The Housing Committee has now allocated the latest available homes. If you have a housing application on file, please stop by the Housing Office located in the new modular behind the Administration Office to complete an updated application. We wish to have all new and updated applications on file for the next allocation.

A reminder as well that all housing allocations are completed by a blind process using a point system. Members of the Housing Committee do not know the identity of the applicants when allocating homes.

I would be happy to chat with anyone who wishes to discuss their application and the allocation process.

Snachailya,

Lionel Conant
