# Fisheries Closed

## Due to Conservation Concerns

FSC Fishery for Sockeye and Chinook will be closed indefinitely due to the low returns of 2024 Early and Late Stuart Sockeye

2024 is the return year for the Stocks impacted by year 2 the Big Bar Landslide. We must allow all of the Early Stuarts to reach the spawning grounds.

If you have any questions or concerns, please call Darren Haskell TL'azt'en Nation Fisheries Manager
